## *Brown Bag Lunch Series*

---

### **Winter Plant ID and Delineation**

**Board of Selectmen Meeting Room 2nd floor  
120 Main Street, North Andover  
Wednesday, January 23, 2019  
11:00am-1:00pm**

---

Wetland Plant identification is hard enough in the growing season, never mind when all the leaves fall off! Join Greg Hochmuth, PWS & CWS, of Williams & Sparages and Jennifer Hughes, Conservation Administrator for the Town of North Andover, for a winter walk and plant ID session. The workshop will include an indoor session at the North Andover Town Hall as well as an outdoor field session at Essex County Greenbelt's Carter Fields Property at 75 Carter Field Rd (<https://goo.gl/maps/zGTJWJ2naJA2>). The workshop will cover winter delineation and tips for identifying tree, shrub and herbaceous species in winter.

Bring a hand lens and field guides if you have them.

We expect to be inside for a portion of the lunch. Then we'll be outside. You may need snowshoes or microspikes so please dress appropriately for the weather!

There will be a board meeting from 10-11. Everyone is welcome to attend.  
Please carpool if you can.
