Wednesday December 17, 2014  
11:00am-1:00pm**

Massachusetts Association of Conservation Commissions (MACC) Executive Director, Gene Benson, will lead a discussion about the many resources offered by MACC. In addition, we will discuss the on-line Environmental Handbook, MACC's Strategic Planning Initiative, upcoming changes to MACC's Fundamentals Program, and potential new programs for conservation staff. This will be a nice opportunity to provide suggestions to MACC as well as hear about its plans.

All are welcome to attend the Board of Directors meeting at 10am.
