Brown Bag Lunch Series

Management of Non-Native Aquatic Plants

Westford Town Hall

55 Main Street, Westford, MA 01886

Wednesday, October 26, 2016

11:00am-1:00pm

Dominic Meringolo of Solitude Lake Management will speak about lake and pond management, particularly about managing those pesky non-native aquatic plants. This will be a lake/pond management “101” presentation with an emphasis on invasive species management. It will include discussion of the important characteristics of lakes and ponds that effect management, a review of the common invasive species that we manage and then a review of the different management techniques that are available, including non-chemical and chemical options.

There will be a board meeting from 10:30-11. Everyone is welcome to attend. RSVP at <http://tinyurl.com/MSMCP10-26-16event>
Please carpool if you can.
