Brown Bag Lunch Series

Living with Coyotes & Engaging your Community with Wildlife— Annual Potluck

**Pompositticut Community Center,
509 Great Road (Rt 119), Stow
Wednesday, December 19, 2018
11:00am-1:00pm**

Join John Maguranis, Belmont's Animal Control Officer and Massachusetts Representative to Project Coyote, and Kathy Sferra, Stow's Conservation Coordinator, for a fun and informative presentation and discussion about coyotes in Massachusetts. The presentation will include information about coyotes and their lifecycle, habitat, and behavior; encouraging coexistence with predators; and using coyotes as a way to engage public curiosity and learning about wildlife habitat and conservation issues.

For the potluck:

Please bring a dish to feed about 5 people so we don't have too many leftovers. Let's try again for 0 waste and ask folks to bring their plates/utensils and cups with them. Bring container for leftovers :)

The Community Center has a kitchen in the event that you need to warm your dish.

There will be a board meeting from 10-11. Everyone is welcome to attend.
Please carpool if you can.
