Brown Bag Lunch Series

Annual Holiday Potluck and Favorite Gear/Equipment/Clothing Show & Tell McAuliffe Library, Community Room 746 Water St., Framingham Wednesday, December 18 11:00pm-1:00pm

It's a field equipment show-and-tell. It's a "wetland scientist fashion show". It's an opportunity to share what you *gotta have* when you head out into the field, and what you'll never buy again.

It can be whatever makes your job easier (or harder): from tick repellents and field guides, to clothing and equipment, to trail food on those days you have to skip lunch to finish reviewing a delineation, or investigate a violation. Anything goes if it's important to you.

You can wear it, bring it, or just tell us about it. Info on where to get it and what it costs, would be appreciated.

It's also a pot luck, so please bring a dish to share. Consider bringing your own mess kit (plate, fork, cup) - to help reduce waste!

There will be a board meeting at 10:00 am. Everyone is welcome to attend.
Please carpool if you can.
